RE: *Submission of Registration Application for A1101.16*
(EPA File Symbol 87373-XXX)

Dear Michael Walsh:

Argite, LLC (Argite) is submitting an EPA registration application for the end use product A1101.16, an end-use product containing the active ingredient Spinosad. This application for registration is for a 100% repack of a registered end-use product: [REDACTED].

In support of this amendment application, we submit the following documents:

1. This Cover Letter
2. Copy of Cover Letter with Confidential Business Information redacted
3. Application for Pesticide Registration (EPA Form 8570-1)
4. Receipt of PRIA pre-payment from pay.gov
5. Confidential Statement of Formula (EPA Form 8570-4): Basic dated 9/1/2021
6. Proposed Product Label
7. Formulator's Exemption Statement (EPA Form 8570-27)
8. Current approved label for source product

Argite, LLC believes, that as a repack of a registered product and because no data review is necessary, this submission falls under Category R300. The PRIA fee of \$1,662 has been paid and the receipt included in this submission. The decision timeline is 4 months.

With this submission, Argite, LLC would also like to notify the Agency of the alternate brand name of **ARG SPINOSAD MUP** for A1101.16.

If you have any questions regarding this submission, please contact me at beth.anderson@atticusllc.com or 984-465-4784.

Respectfully submitted,

A handwritten signature in blue ink that reads "Beth Anderson".
